

**Screens &  
Fabricated Metals**  
A Division of  Century Bathworks Inc.

# **CUSTOM MIRRORED DOORS**

**Superior Quality and Custom Sizes Available for  
*Frameless, Bifold and Sliding* Mirrored Doors**

**Stylish and popular, Bi-fold doors also let in natural light.**

## **Bi-Fold Mirror Door**

**Screens & Fabricated Metals Aluminum Bifold Mirror Doors** feature quality heavy-gauge aluminum extrusion construction with minimal frames.

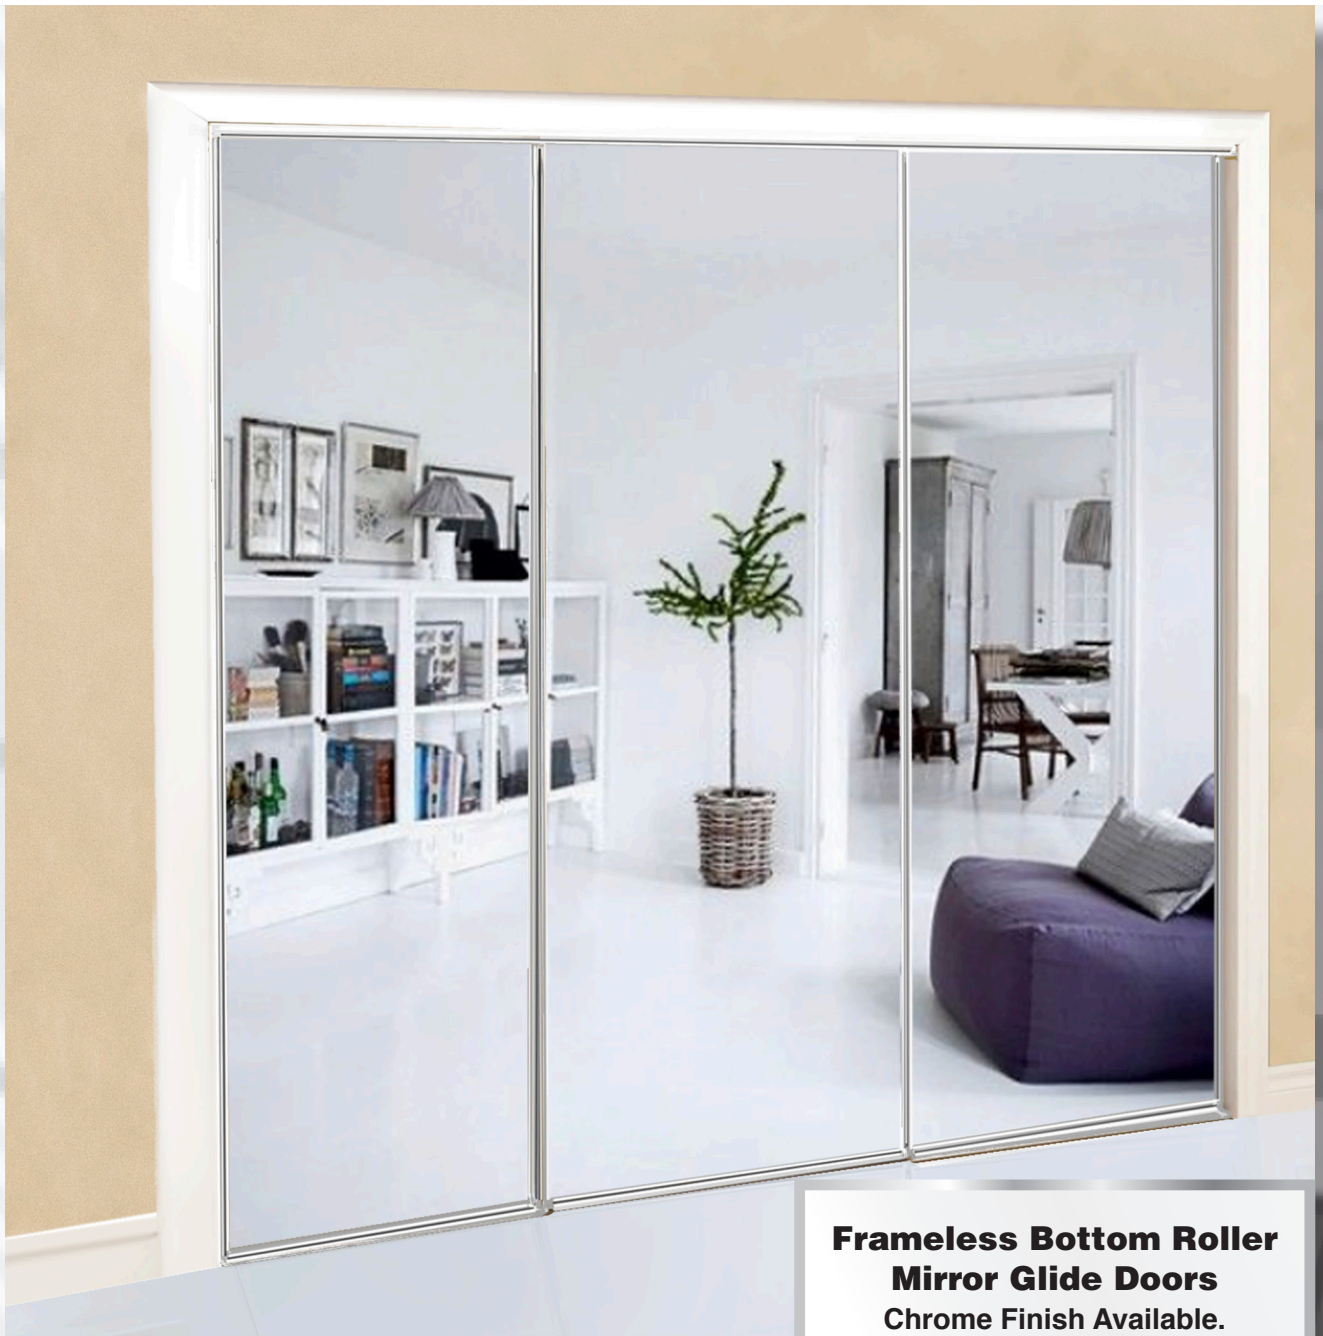

**Aluminum Frameless  
Bifold Mirror Doors**  
Polished Edges on Longs only.  
Chrome Finish Available.

**Bottom-rolling design is self-adjusting and eliminates rattling.**

## **Frameless Sliding Mirror Door**

**Screens & Fabricated Metals Sliding Mirror Doors** make any room larger. Available with double doors or multiple panels. These doors reflect your room with a polished pencil edge with a 3/16" safety-backed mirror.

**Frameless Bottom Roller  
Mirror Glide Doors**  
Chrome Finish Available.

**The frameless design maintains a clean and modern feel.**

**Screens & Fabricated Metals Frameless Mirror Doors** combine the beauty of chrome, uninterrupted beveled or flush mirrors with the function of smooth, virtually invisible hardware. They feature rugged cold-rolled steel construction.
